SKIDOMPHA PUBLIC LIBRARY RECEIVES DIGITAL EQUITY GRANT FUNDS

Wiscasset, ME: Coastal Maine Regional Broadband (CMRB) has awarded the Skidompha Public Library a grant of \$2000. Matthew Graff, Library Director, shared that the library plans to use the funds to upgrade the computers for public use to have more available. The Skidompha Public Library is located at 184 Main Street in Damariscotta. For hours and contact information please visit their website at <https://www.skidompha.org>

CMRB, a regional partner of the Maine Connectivity Authority, has partnered with the Skidompha Public Library to help improve the digital landscape and encourage digital equity for residents of Lincoln County. CMRB strives to make digital access a reality for people across coastal Maine, by ensuring full broadband connectivity and affordability to homes and businesses, uniting people with the devices needed to connect, and encouraging training to build skills for all ages. CMRB serves the Midcoast region of Lincoln, Knox, and Sagadahoc Counties.

CMRB offers both digital resources and broadband infrastructure planning to communities in Lincoln, Knox, and Sagadahoc Counties. To learn more about Coastal Maine Regional Broadband visit their website at [CMRB.me](https://www.cmrb.me)
